It's that time of year again when I approach each of you regarding the annual Calgary west provincial PC fundraiser for Karen Kryczka. This year's luncheon will take place on Thursday June 3 @ Metropolitan Center 333 4th Avenue SW and feature Minister of Health and Wellness Gary Mar as guest speaker. With all the talk of health care reform and our final fundraiser before an expected spring 2005 election, this is "a must be seen at event". Tickets are \$85 per person and since now is tax time you know what a great benefit having a tax credit can be. Our no host bar opens at 11:30 am and the event will begin promptly @ noon and we promise you to be on your way by 1:20 PM. For those wanting just a little bit more we have arranged 10 golf tee times @ Elbow Springs following lunch and each threesome will play with a cabinet minister or MLA. If you want in on this action the cost bumps up to \$425 per person (including lunch) but remember the tax credit increases accordingly so this is an even better deal but the limited number of 30 spots are moving quickly. If you received this email in error I apologize, if you have already been approached by someone else to buy a ticket, think about buying an extra one and taking a friend. If you want a ticket or two from me please respond by email and I will arrange it or call me at 217 - 2254. If you purchase a single ticket and want to sit at our tables, let me know and I will reserve a seat or two. Thanks in advance for your support.

Cheryl - I'm giving two to Brian Sinclair. Do you have thoughts on the rest?

Well, I go.

I'm not sure what the question is. We go to lots of political events (dinners, fundraisers, golf tournaments) because it's important to be seen in the community and it presents opportunities for us to (gently) make our case.

If you mean is it OK to be there as an individual (i.e. because of a personal interest in the party) we don't have any policies against that as long as people don't bring their personal interests to the office or use it as part of their university decision-making. I'd be uncomfortable suggesting that anyone should or should not be part of a political or any other activity, as long as it doesn't bring the University into disrepute. They shouldn't join the Klan, for example.

Hope that helps - call me if I've missed it.

Regards,

Roman

Hi Chen - Under the new tax rules the University cannot use public funds for political fundraising. However, I will personally buy a table as long as it's absolutely clear that it is personal and no University funds are being used, i.e. it has to be in my name. I can invite HPW to my table.

Hello Roman,

I got roped into selling tickets for the Gary Mar/Jim Dinnig Gala which is on Oct 12th.

Tickets are \$2,500 per table of 10 with \$2,250 being tax deductible.

Will need more than three names for the tax receipt as the max. on each receipt is \$1,000.

Will you and/or Harvey like a table?

Please advice. Thanks.

Chen Fong

P.S. I still remember our conversation over lunch after the first Gary Mar Gala.

The short answer is yes and I am already paying for half a table...but that might be with the department or maybe Olympic Oval....hmmmmmmmm???. I think we only need to fill 4 or 5 seats so I should be able to do yours if you still want to it...ie: UC's already represented, how many breakfasts do we need?

your call let me know.

Today I wanted to let all of you know, if you haven't already heard through other channels, that there will be a great opportunity for you and your associates to meet our new Premier, the Honourable Ed Stelmach, and some of his Ministers, here in Calgary on the evening of January 18th, 2007.

A reception will be held in Ranahan's in the Grandstand at Stampede Park from 5:00 - 7:00 PM. Tickets to the reception are \$500.00 per person. There is also an opportunity to attend a smaller, more exclusive event prior to the above event for a minimum donation of \$5,000.00 (which also provides admission for two).

Both events will offer you and your colleagues an excellent opportunity to spend time with the new Premier, and Ministers, to discuss the issues the new Government will face in the run-up to the next election and to make them aware of some of your key issues. The purpose
